Tomas Witek

FULLSTACK RUBY ON RAILS DEVELOPER

I have been **creating websites** for over **7 years** and I **still love** every minute of it. **Ruby on Rails** is one of the main reasons why I still **enjoy my job**.

Name	Tomas Witek
Born	1985, Czech Republic

Employment

Senior Software Engineer — 2014 - Present
Panter AG
I am very happy to be a part of a fantastic team of Panters.
Technology: Ruby on Rails, Ember.js, iOS, Swift, MongoDB, PSQL, Elasticsearch

Owner — 2010 - 2014
WebingArt Ltd
The most of the time I was working for London based startups.
Technology: Ruby on Rails, MongoDB, PSQL, Elasticsearch, Sass, CoffeScript

PHP freelancer — 2008-2010
Worked for various companies as Senior PHP developer
I worked on a few small czech startups.
I have also developed several cms and e-commerce websites.
Thanks to WebExpo Prague I started in 2009 to play with Ruby on Rails.
Technology: PHP, MySQL, SQLite, HTML, CSS, JavaScript

Junior SW developer — 2007
AND Data s.r.o. - a Siemens company
I worked as a Junior SW developer on various projects for industrial ethernets for factory and process automation.
I have also maintained intranet and internet sites of the company.
Technology: PHP, C++, TCP-IP, real time communications protocols

Junior External PHP developer — 2006
Globtec s.r.o.
I worked as an external PHP developer on an ecommerce platform called Shopinet.
I have participated in the development of backend and API integration.
Technology: PHP, MySQL, REST API, Agile Development, HTML, CSS, JavaScript

Owner of an ecommerce website — 2005
Inzone.cz - Selling Computer components
I bought an ecommerce solution which didn't work very well. That was the point where I started to dive into PHP and web development.
